**General Evaluation:** The majority of responses in this section were at 9 and 10. There were a four at 7 or below.

#### Comments :

Only a small number of additional written comments received in this section and were, in general, positive and appreciative.

E.g. 'I found both days very valuable and interesting. Excellent informative presentations', 'Specially liked the very well prepared tour of Arbour Hill Prison', 'Very interesting and informative....use of case based scenarios might have helped', 'Overall very enjoyable...networking at break very interesting and beneficial', 'Some of speakers could have used a microphone because they were soft spoken', 'Valuable experience with good learning and sharing', 'Would have been more useful to look at practical and future ideas', 'I learned a lot from the models used by other jurisdictions'.
