

First Workshop “Working out the common basis”

Tallinn (Estonia) 13 – 16 of March 2013

Report of the workshop

Summary of the Evaluation Forms

To the workshop was registered 40 participants; in reality 39 experts participated. By the end of the workshop 32 (82%) from 39 evaluation forms was returned: 19 from Estonia, 4 from Finland, 3 from Ireland, 3 from Germany, 3 without the country name.

Comments made on evaluation forms were following -

- Well run and organized workshops. Run on time and kept the agenda. Everyone had opportunity to participate.
- More microphones needed
- Very well done. Thank You from invitation.
- Very good workshop, gained a lot of information.
- It was useful for my work and will be.
- I'm satisfied.
- For group works was needed more time to discuss common understanding. Time was very less to solve the problems with terms like “high risk offender” and “dangerousness”.
